

Join the **Milk Drive @ ZSFG**

**Donate your extra frozen breast/chest milk.
You could help a baby in need thrive.**

The Birthing Department at Zuckerberg San Francisco General (ZSFG) is partnering with Mother's Milk Bank in San Jose to host a "Milk Drive" in August, which aligns with Breastfeeding Awareness Month.

**Wednesday, August 14, 2024
11:00 a.m. to 2:00 p.m
1001 Potrero Avenue, San Francisco
At David Sanchez Way**

This event is open to the general public.

All birthing parents who have extra breast/chest milk to donate are encouraged to drop off their frozen milk on the day of the event.

Get Pre-Screened for Easy Drop-Off.

To make your drop-off quick and hassle-free, ensuring your donated breast milk can quickly help a premature baby thrive, streamline the breast milk donation process by completing a brief 5-minute health screening:

Call: (877) 375-6645 *option 3

Visit: mothersmilk.org/donate-milk/

You can also sign up when you drop-off your milk on August 14.

Drop off your breast/chest milk in frozen form.

The milk must be within 9 months from the day of expression and labeled with the date and time
